

UK PRESS RELEASE

Toyota At The CLA Game Fair

18 April 2002

Motor manufacturer Toyota is sponsoring the UK's premier clay line at the world's largest countryside event the CLA Game Fair from 26-28 July at Broadlands, Romsey, Hampshire. Visitors to the show will also have the exciting opportunity to experience driving on a specially constructed off-road route in the world famous Land Cruiser Amazon.

The Clay line arena is extremely popular with visitors to the show attracting both game and clay shots. The challenging 4x4 course puts the Land Cruiser Amazon – the world's most popular 4x4 – to the limit for an exhilarating experience. The qualified instructors from Honour Motorsport, the UK's leading 4x4 training company, use their extensive knowledge and experience to give visitors a dynamic off-road experience.

Don't miss this opportunity to discover why the Land Cruiser Amazon boasts a worldwide reputation for performing in the harshest environments.

In addition, come and see the extensive Toyota range from the "What Car? Car of the Year" winning new Corolla, the MPV Corolla Verso, along with the sporty T Sport to the rugged Toyota Hilux Pick-Up on the Toyota stand.
