## Win A Safari In A Toyota Land Cruiser

17 July 2002

Visitors to the CLA Gamefair at Broadlands, Romsey, Hampshire next weekend (26-28 July) will have the chance to win a safari in Tanzania in a Toyota Land Cruiser. The lucky winner and partner will explore some of the best game reserves that Africa has to offer, while finding out how the Land Cruiser copes in really tough conditions.

The winner will spend a week watching wild animals at large, including rhinos, elephants and all the big cats, as well as taking in the spectacular scenery at some of Tanzania's National Parks. Then you'll have the chance to get your breath back with seven days in a first class beach resort.

Visitors to the CLA Game Fair, the world's largest countryside event, will also have the exciting opportunity to experience the world famous Land Cruiser Amazon driving on a specially constructed off-road route. The challenging 4x4 course puts the Land Cruiser Amazon – the world's most popular 4x4 – to the test for an exhilarating experience.

Toyota is sponsoring the UK's premier clay line at the show. The clay line arena is extremely popular with visitors to the show attracting both game and clay shots. In addition, come and see the extensive Toyota range on the Toyotastand. To find out more about Toyota contact the Toyota Call Centre on 0845 275 555 or visit [www.toyota.co.uk](http://www.toyota.co.uk)
