## **Media Advisory: All-New Toyota RAV4 Media Assets Now Available**

17 January 2019

A full press kit, high-resolution images and video footage of the all-new, all-hybrid RAV4 SUV are now available to view and download at the Toyota UK media website [here](#).

The information includes full technical and equipment specifications and UK prices.

The new RAV4 is available to pre-order from Toyota retailers now. Deliveries to customers will commence in April this year.
