Customer services – passenger cars

Servicing your Toyota

Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Hybrid Service

Toyota created the Hybrid technology in your vehicle and so Toyota is the first choice when it comes to servicing it. Bring your Toyota Hybrid back to us for its annual service and benefit from a free Hybrid Health Check.

Hybrid Health Check

All the Hybrid components of your vehicle will be checked to ensure they are all performing efficiently. The Hybrid components already benefit from a 5-year/100,000-mile warranty including the Hybrid battery.

A Hybrid Health Check will result in the Hybrid battery benefiting from an additional 1-year/10,000-mile warranty once its original 5-year/100,000-mile warranty has expired.

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

* Prices correct at time of going to print.

Toyota Extended Warranty

You have the choice of either the low-user option that restricts you to 15,000 miles per year or 12 months whichever comes first or the 12-month unlimited mileage cover. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 30,000 miles or 24 months whichever comes first.

The Toyota Extended Warranty can be renewed until the vehicle is 12 years old with less than 100,000 at point of sale, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.
