# Customer services – passenger cars

## Servicing your Toyota

Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit [toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance](http://toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance)

## Hybrid Service

Toyota created the Hybrid technology in your vehicle and so Toyota is the first choice when it comes to servicing it. Bring your Toyota Hybrid back to us for its annual service and benefit from a free Hybrid Health Check.

## Hybrid Health Check

All the Hybrid components of your vehicle will be checked to ensure they are all performing efficiently. The Hybrid components already benefit from a 5-year/100,000-mile warranty including the Hybrid battery.

A Hybrid Health Check will result in the Hybrid battery benefiting from an additional 1-year/10,000-mile warranty once its original 5-year/100,000-mile warranty has expired.

## Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.
